XiteBio® Welcomes Bryan Schatz to Their US Sales Team

Bryan Schatz, XiteBio's new US Sales Agronomist

WINNIPEG, Canada (June 14, 2016): XiteBio is pleased to announce the joining of Bryan Schatz as a Sales Agronomist in their sales team effective immediately. Bryan will be based out of Linton/Bismark, North Dakota area.

Bryan brings decades of experience working in agriculture industry including seeds, forages, inoculants and biologicals. His previous roles include Sales Manager at the Pulse USA. Other sales roles have included positions at the North Central Farmers Elevator, Farmers Union Oil and Scranton Equity where he brought newest agronomic solutions to the customers, trustworthiness and exceptional customer satisfaction.

“Because of his knowledge of the ag industry, especially in inoculants in the upper Midwest states and sales proficiency with distribution channel & retail accounts, we’re excited to have Bryan in our sales team”, says Dr. Manas Banerjee, CEO at XiteBio.

Bryan will be working closely with XiteBio’s sales and marketing team, bridging with distributors, dealers and farm customers to promote market development and brand awareness for XiteBio’s inoculant and biological product lines.

Please join us in wishing Bryan every success in his new role at XiteBio. Please contact Bryan at 701-955-5420 or Bryan.Schatz@xitebio.com for your crop inoculant and biological needs.

ABOUT XITEBIO TECHNOLOGIES INC.

XiteBio Technologies Inc. is a privately owned ag-biotech company. XiteBio's head office and IRD Centre is located in Winnipeg, Canada. XiteBio researches, develops and markets innovative and value-added ag-biological products for today's and tomorrow's farmers. XiteBio's unique product lines include: SoyRhizo® for soybeans; PulseRhizo® for peas, lentils & faba beans; XiteBio® Yield+ lines for canola, corn, wheat, barley and legumes. Future product lines in development include plant growth regulators and biopesticides. XiteBio's primary focus is to provide next generation ag-biologicals solutions to the distributors/dealers/farmers with 'go-green', unique and efficacious products with cost-competitive pricing.
